We Dedicate This Book

Mr. Donald D. Gerdts - Chairman of Fine Arts and Director of Dramatic Activities on El Rancho's Campus.

The custom of the Annual Staff is to dedicate our work to an individual who has done more than his share to make El Rancho High School outstanding. To show our appreciation and gratitude, we dedicate the EL RANCHO "63-64" to one of the finest men in the history of El Rancho - Drama Director, Mr. Donald D. Gerdts.

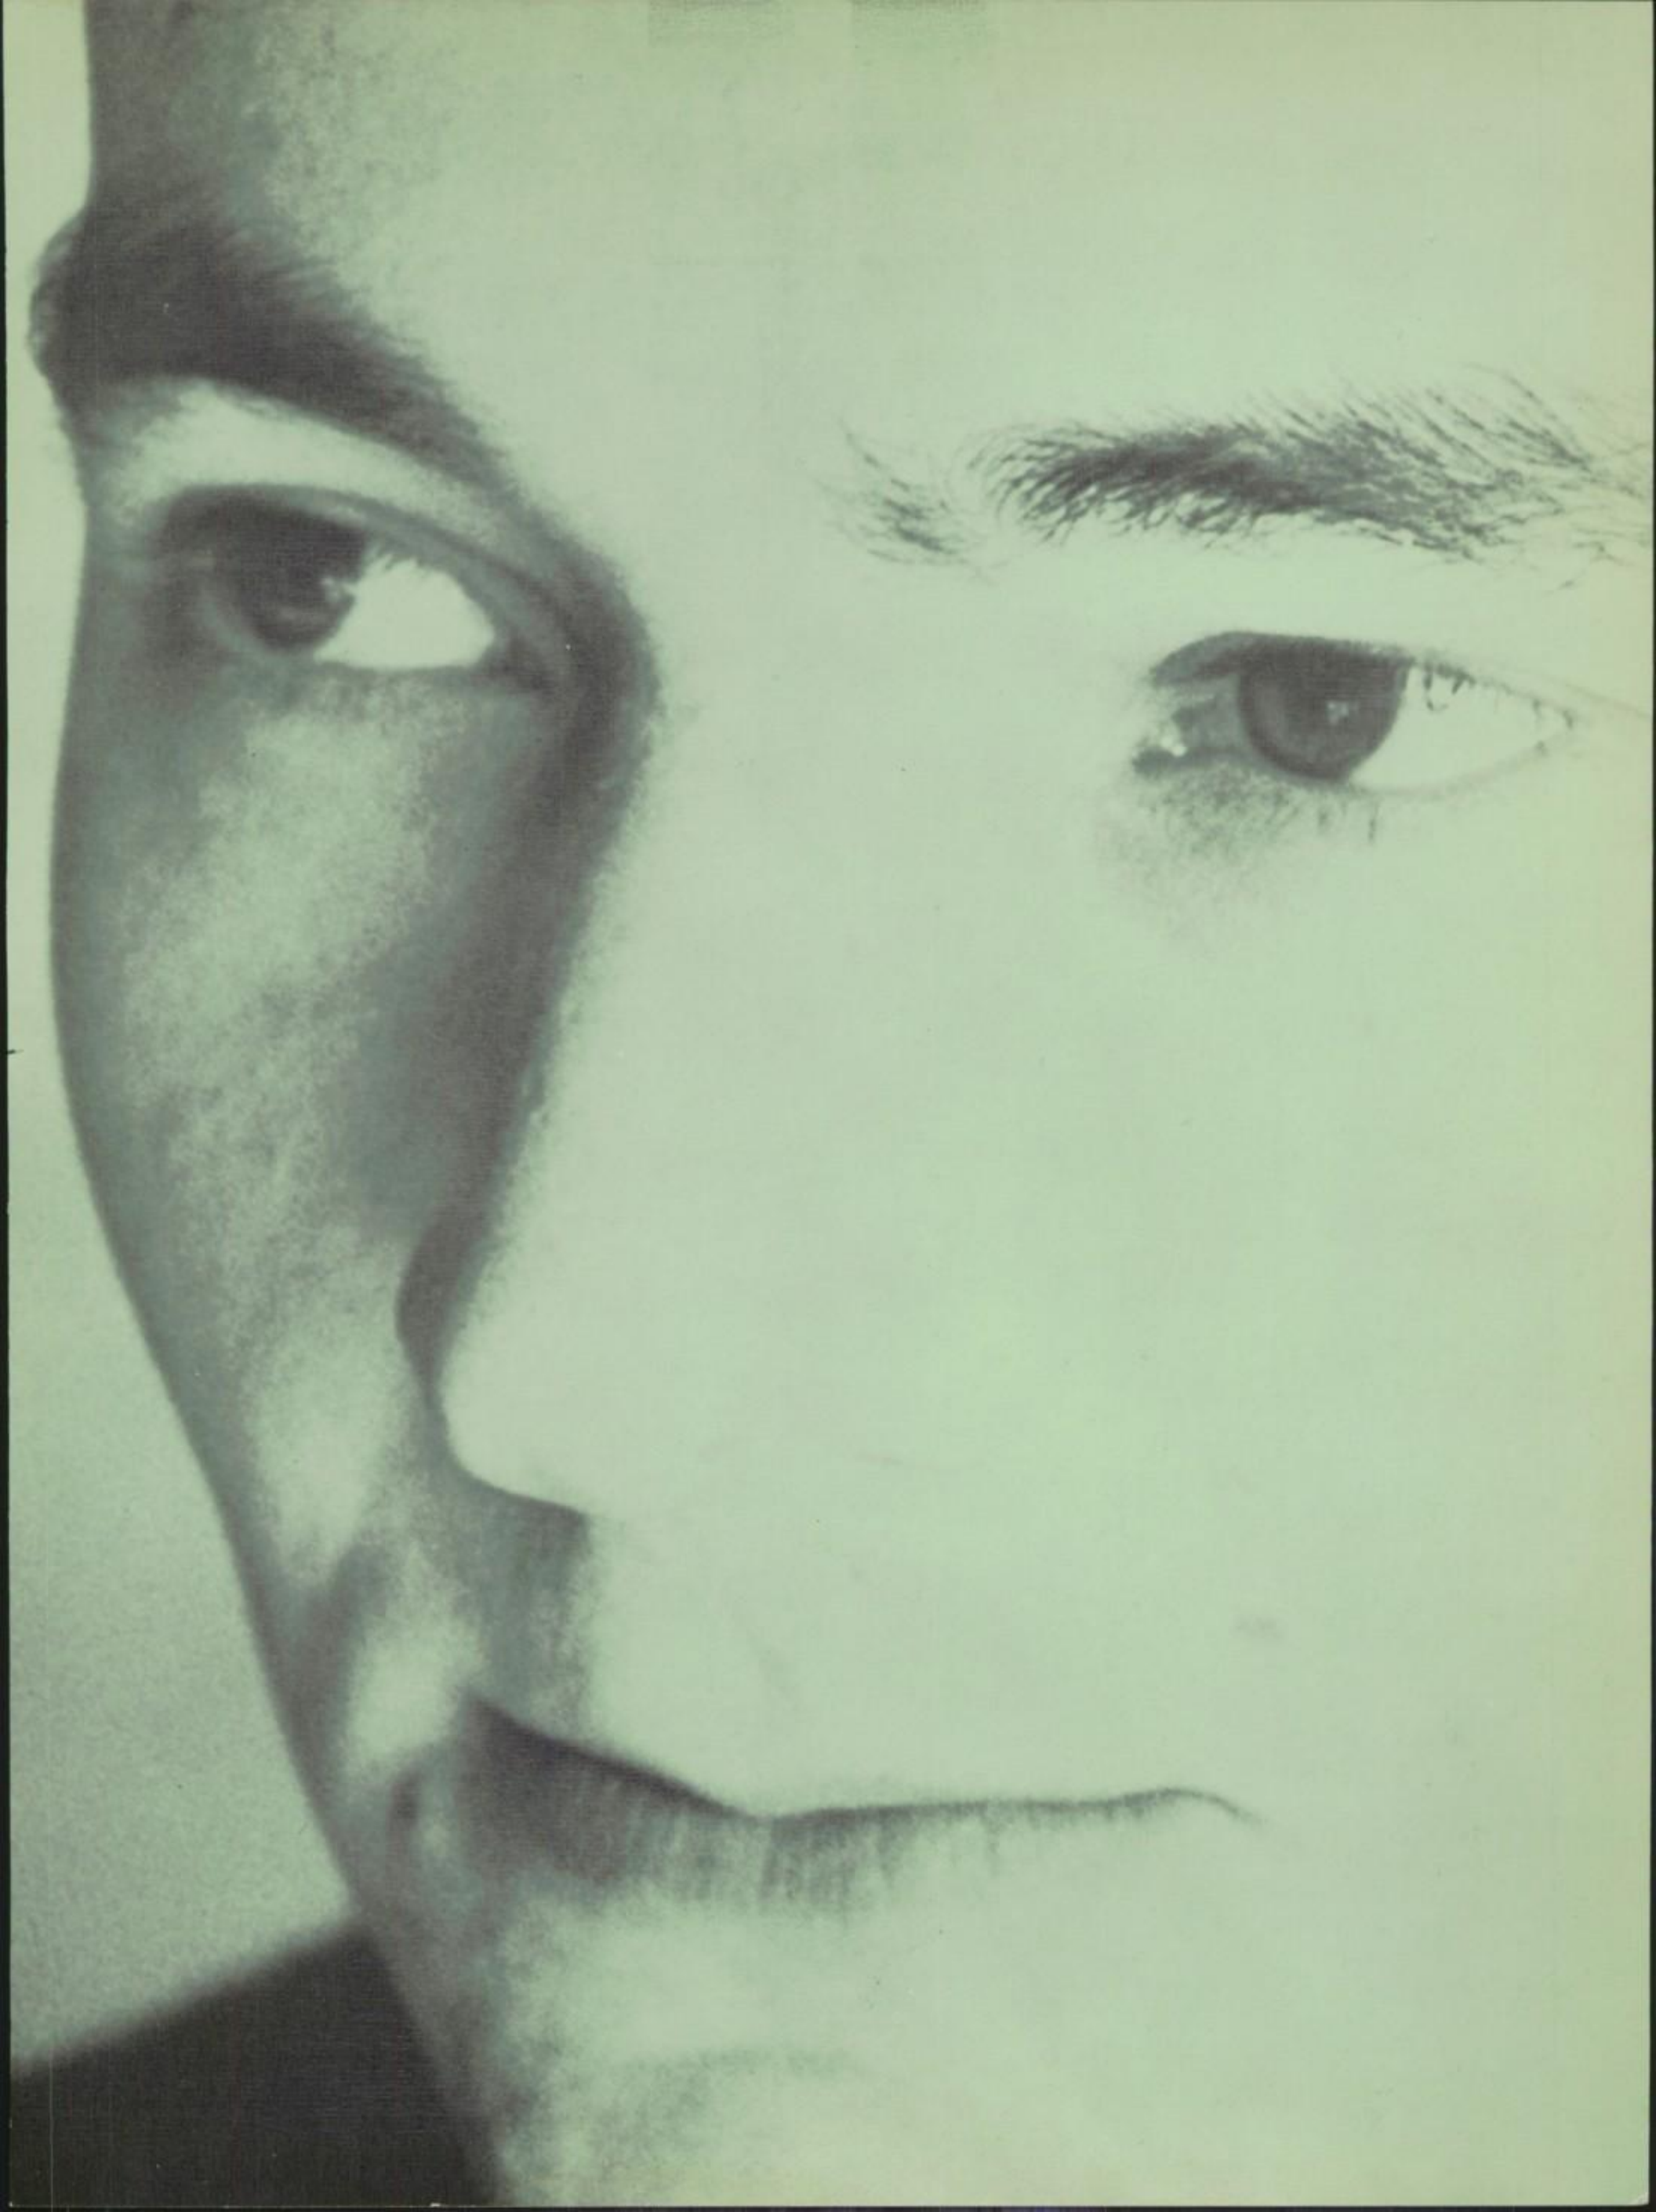
Mr. Gerdts, Chairman of Fine Arts at El Rancho as well as the Director of Dramatic Activities, came to El Rancho in 1958--a year in which El Rancho was striving to keep up its reputation as a fine, if not the best, high school in the district.

A walk-on part in a high school play, leads in college productions, "bit" parts in several movies, a weekly radio show and a number of TV appearances--all have served to whet Mr. Donald D. Gerdts' appetite for dramatic activity that neither long hours nor limited facilities for production can abate. Mr. Gerdts has portrayed leading roles in such plays as: Our Town, St. Joan, Green Grow the Lilacs, Hatful of Rain, and The Glass Menagerie.

Since coming to El Rancho, Mr. Gerdts has succeeded in raising the standards of dramatic productions above those described as typically high school. That such memorable productions as You Can't Take It With You, Home of the Brave, White Sheep of the Family, Night Must Fall, Teahouse of the August Moon, The Miracle Worker, Bye Bye Birdie, and The Desperate Hours played to ever increasing audiences seems to indicate at least partial success.

Mr. Gerdts has done much for the students of El Rancho and for the school itself. The kindly nature of Mr. Gerdts, his inspirational help, his expert guidance, his dry humor, and his human sympathy and understanding have made him an ideal teacher and a real friend. Very few of the students will ever forget this remarkable man to whom this book is dedicated.

....Now, what was that about an auditorium for your future productions for the El Rancho students?....



Alma Mater

Hail to thee dear Alma Mater

Hail to thee El Rancho High

All your sons and daughters want to

Sing your laurels to the sky.

Wave your banners on to glory

May your colors proudly sway

Let us always tell the story

Honor to the Blue and Gray

Hail to thee, Oh Alma Mater

Hail to thee, with heart and tongue

Pride we feel and love yet greater

While we sing this glorious song

May the blessings of our school days

Hold us with a binding tie

Let us show that we will always

Honor thee, El Rancho High.

Noble Principal

Twelve years ago, El Rancho High School opened its doors. Since that first day, thousands of young people have passed through its hall--halls which are becoming hallowed with the tradition of success.

At the beginning of each year, our school Principal looks forward to a bigger and better school year than before. Bigger? This year El Rancho, with its 3300 students, was considered the sixth largest school in the state of California.

As the years pass on, El Rancho moves to perfection in the three areas of school life: academic, athletic, and social.

The academic success of El Rancho exceeded that of previous years, assuring the faculty staff that the students which they tried to teach were destined for a successful future. The students themselves have yet to exert their unalienable rights in tomorrow's adult society.

The athletic success of El Rancho proved to be as great, if not greater than previous years. Football, basketball, baseball, and other teams of sports learned the meaning and usage of sportsmanship.

The social success of El Rancho satisfied the students' wants, and the social events planners should be congratulated on their fine job.

To the success of the 1963-1964 school year we, the student body, owe thanks to the guiding force of our school, the administrator who offered his services and advice willingly, to a member of the ER staff who thought El Rancho was the best of schools possible, our school Principal, Mr. Nolan L. Noble.

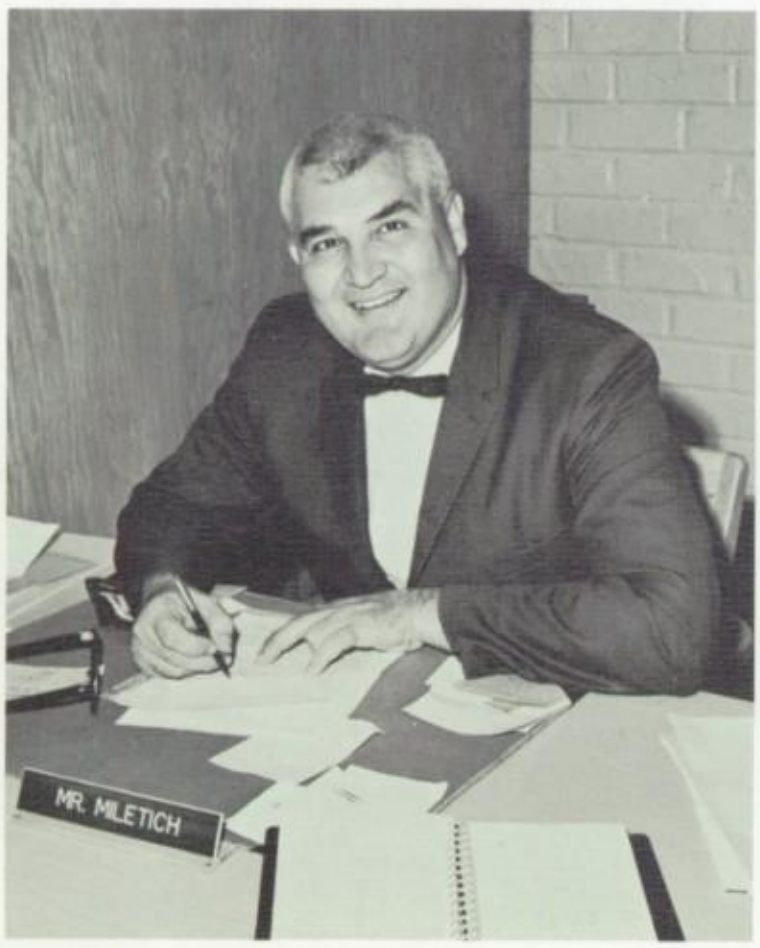
School Administration Performs Great Job



Mr. Mathew Miletich: Asst. Prin. Business and Activities

The administrators here at El Rancho are a group of wonderful people who spend their time helping the students--all 3300 of them. They all have sparkling personalities and a sincere interest in the students and school. They work for and with the students, offering their services and advice willingly.

Although there were many new members added to the administrative and faculty staff, duties were carried out, as usual, efficiently and swiftly. Under Principal Nolan L. Noble's guidance, El Rancho's administrators did a fine job in making El Rancho the best school possible.

Guidance Counselors Help Students

The greatest of effort has been put forth by our guidance counselors. Together, they make a fine team for counseling and guiding the students along the lines of their future planning, according to the basic preparations developed through the years of schooling. Educational foundations have to be strong and well coordinated in order to enable us to choose and absorb future studies necessary to the final successful commitments to our chosen fields. Our counselors have our welfare at heart, and they always act in our best interests.

Mr. Burl Worley-Treasurer

The El Rancho Teachers' Club helps to provide for the representation of our faculty in various professional organizations and activities through our district-wide organization-- The El Rancho Teachers' Association. On campus, our membership continually works to improve the effectiveness of our educational program.

Each year the El Rancho faculty also awards scholarships to several seniors. Funds for these scholarships are raised by the co-operative effort of the entire faculty. Last year the E. R. faculty was able to offer four two hundred dollar scholarships to help further the college education of El Rancho graduates.

Underlying all the activities and services of the E. R. Teachers' Club is a spirit of friendly co-operation and a desire to keep El Rancho the best.

Adult Education

Four nights a week from, 7 p.m. to 10 p. m. adults come to the classrooms at El Rancho High School to further their education or to develop a hobby that has always interested them. Many daytime teachers of El Rancho come at night to teach these interested adults. With the combined knowledge of the teachers and the enthusiasm of the adults much will be derived from the extra hours put in by both.

Newstaff hard at work.

The EL RODEO staff, working as a team, produces a paper that keeps El Rancho students well informed. Mr. Itnyre, who has been the EL RODEO Advisor for several years, is always willing to lend a helping hand.

Very few people realize the hard work that goes into the publication of this newspaper. The newstaff puts in many extra hours working to inform the rest of the school of what is going on.

The EL RODEO is one of Southern California's high school newspapers that comes out weekly. The staff did a fine job this year as it has in the past.

Mr. Itnyre helps new members.

Something new everyday.

The World of Science

The science department opens up new and interesting doors for eager science students. They give the students an opportunity to learn more about the universe, what it's made up of, and what life exists in it.

There are many and varied fields of science, and all of them are available to the El Rancho student.

and Mathematics

The courses offered in mathmatics are aimed to develop skills in the different areas of math.

Students work to learn the fundamentals of math in order to increase their knowledge. The knowledge which these students gain from class is invaluable in that it helps to develop clear thinking and logic.

Learning Foreign Languages

Ou! Ou! Ou!

Each year more and more students enroll in some kind of Foreign Language in order to understand and become more closely acquainted with foreign countries and people.

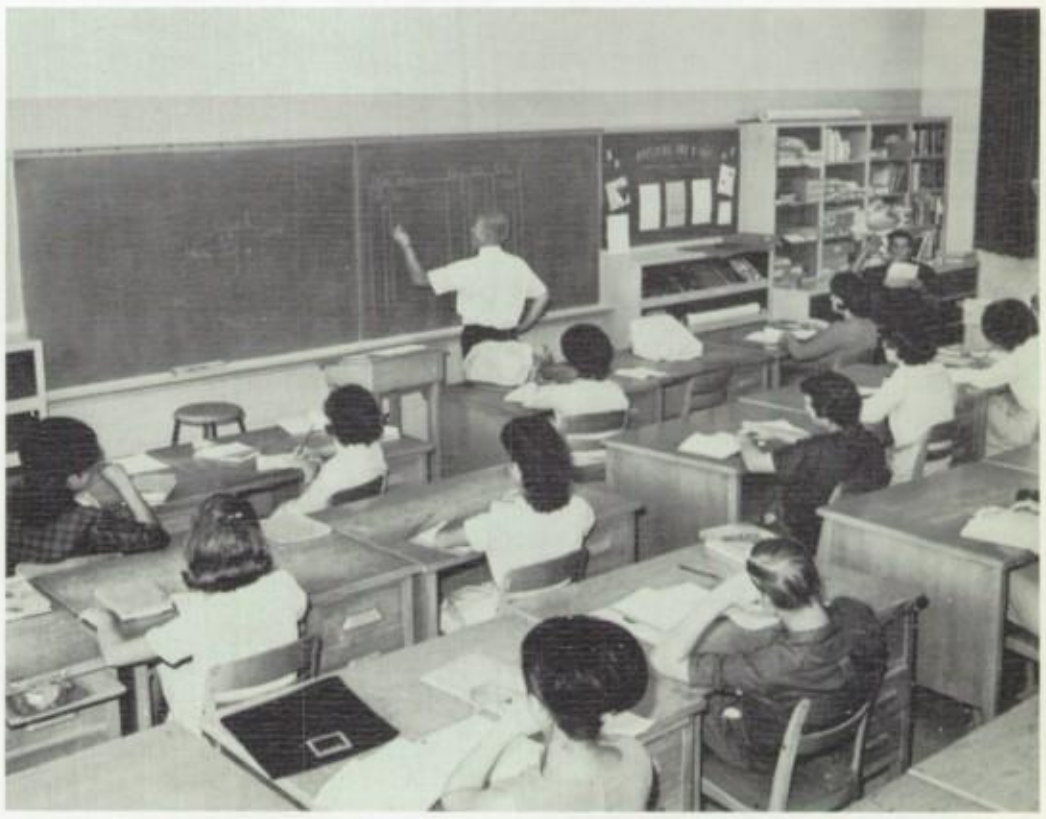
Students can study a foreign language for as many years as they wish, and there are five different languages which they can chose to learn during their four years at El Rancho. They are Latin, Spanish, German, Russian and French.

One of the many popular business classes at El Rancho.

Understanding the World of Business

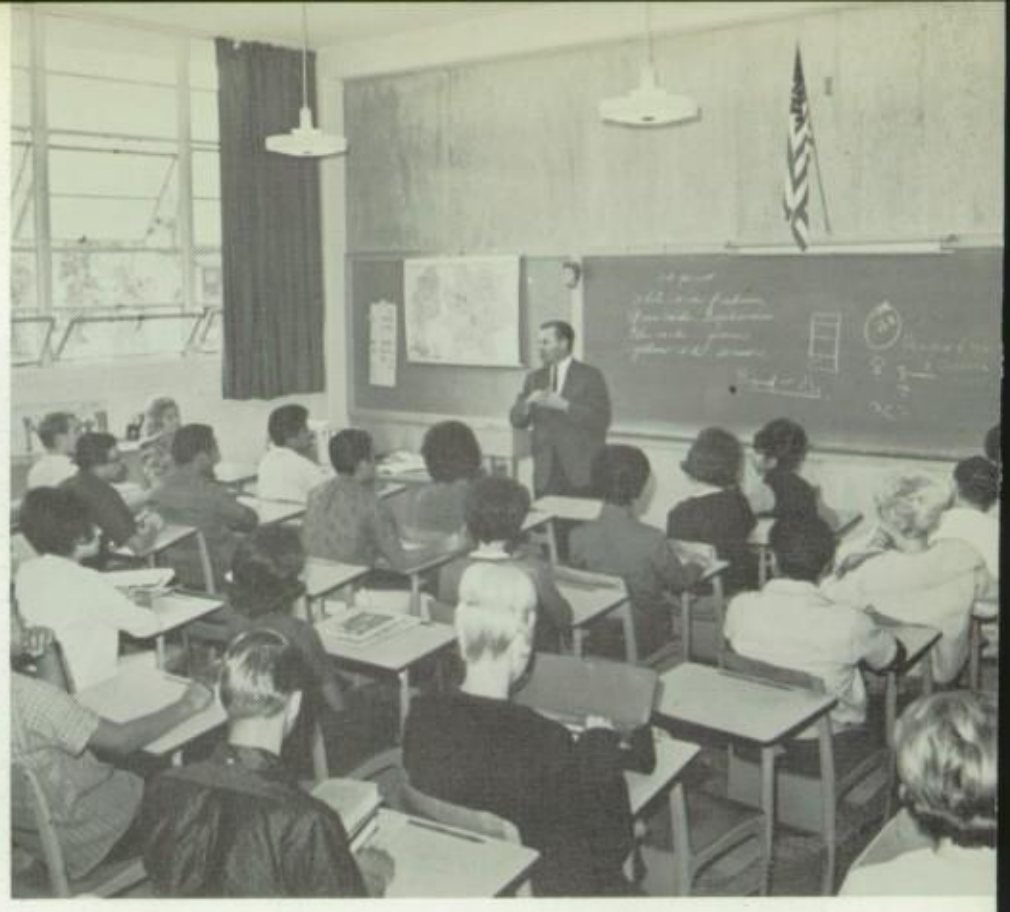
This year there were many boys and girls who enrolled in a business course, and there were teachers to help them understand how to do the different kinds of jobs that El Rancho has offered them. They may learn Typing, Merchandising, Office Machines, Shorthand, Bookkeeping, Salesmanship, Stenographic, and Office Work.

There is great need for students who have learned one or more of these courses in the world of Business today, and there are a great many opportunities for these students.



It helps to pay attention once in a while.

Yes, I see your point.



Do you understand what I mean?

Beginning English

English is a basic study for every El Rancho student. This course begins with elementary vocabulary through literature. In the four years to come, students will learn about great works.

Historical Surveys

El Rancho also has a course of world studies. Students are required to take three and a half years of history. Through these years they will learn about historical events and past history.

Concentrating is hard for some people.

Do you think they're attentive?

El Rancho is very proud of their fine music department. All vocal groups are the direction of Mr. Marsh, and Mr. Larson. Instrumental groups are under the direction of Mr. Jacobs.

By having an extensive music program, the El Rancho students learn to appreciate all types of music. They have an opportunity to learn to play different instruments, and show their vocal ability.

A new way of filing music.

Sing along with Mr. Larson.

The drama class, directed by Mr. Gerdts, spent a busy year with an ambitious schedule of stage productions. The drama class calls for actors, singers, dancers, vaudeville artists, acts, orchestra, and so forth.

The stage crew has worked with the customary amount of thumping, pushing, lashing, and painting. The set must give all the acts that certain illusion. The drama class has succeeded in all the plays they have put on in the past year.

First the make-up.....

Then the action.

Oh! I think I burned the pan!

Don't do what I did and sew your finger.

Now don't take more than what you need.

Future Homemakers

One of the things students prepare for, is homemaking in the future. Homemaking is usually defined as a process of maintaining a comfortable home and family. Students taking this course learn how to cook, sew, and apply basic household methods. This course brings up the finest future homemakers who will be able to make a better living in better homes.

First things first, don't drown.

Physical Education

Physical Education is a course required of every El Rancho student. Physical education is taught for the students' physical health and coordination.

Every class begins with its daily exercise, and will follow with a sport, or swimming as scheduled for that period.

Over, over... That's it-over the net!

Oh gee!! Why don't I ever get my way!

Come and fly away with me.

Get ready, here it comes.

Preparing for the Future

Many courses that El Rancho has offered to the boys are in the field of Industrial Arts.

The boys that take these courses have a special interest in some type of work--Welding, Wood Shop, Auto Shop, General Shop, Auto Mechanics, Agriculture, Architectural and Mechanical Drawing, or Radio--which are taught by specialists in their respective fields.

Many boys will keep on taking this course and will succeed in their future jobs.

Put some strength into it, boy!

Watch me, then you can do it.

Student Government

Bob Black
Vice-President and
Speaker of the Senate

The job of Vice-President involves chairmanship of the Senate or any meetings of Joint Congress, organization of class and ASB elections, and presiding over the Executive Commission meetings in absence of the President.

He may also serve on committees dealing with Student Body functions.

The prime function of the Chief Justice is to serve as the presiding officer of the Student Court. The Student Court is the officially designated organization whose duty it is to settle all disputes of constitutional interpretation. The Chief Justice is also a voting member of the Executive Commission.

Bob Stewart
Chief Justice

Bob Wachtler
Speaker of the House

The purpose of the Speaker of the House of Represenatives is to preside at all House meetings. The House of Represenatives is part of the binary system of Student Government used at El Rancho. It must approve all money issues involving the Associated Student Body. The Speaker is also a voting member of the Executive Commission.

Judicial Branch

The Student Court consists of a group of students who make up the Key Club and Girls' Council. It is the judicial branch of the student government. They must uphold El Rancho's constitution and interpret matters concerning the constitution.

Mrs. Hilker and Mr. Stepleton
Student Court Advisors

Mr. DiIorio, Senate advisor.

This year the Senate has worked hard, wisely, and carefully for the betterment of El Rancho. They have also done a good job on scanning bills carefully and passing only those that they felt were fit.

Not only approving and passing bills, they have also read and approved the charters and constitutions of El Rancho sponsored clubs.

With representatives that we had this past year we had no worries at all on how El Rancho is going to get along in the future.

ACTIVE MEMBERS: Janet Walden, Terry Namen, Barbara Lochausen, Mary Ellen Garcia, Linda Neilson, Becky McCleary, Linda Lott, Linda Burress, Evelyn Rivera, Sandy Marquez, Jeannie Avrea, Vicky Sanora, Donna Pekar, Vicky Penner, Judy McIsaac, Evelyn Bueno, Judy Hasselbach, Lella Daniel, Norma Camacho, Pearl Fletcher, Rosina Cavelletto, Flora Martin, Kathy Barlow, John Bland, Bob Wachtler, Robert Aijala, Bob Coons, Dennis Rowe, Paul Lantello, Lynn Nowicki, Jimmy Peters, Larry Thomas, Bob Cushman.

House of Representatives

Mr. Ogas, House Advisor

One of the most important parts of the student government of El Rancho, is the House of Representatives. This part of Congress, like the other part of Congress, the Senate, discusses, looks into reference materials of a bill, and decides whether or not the bill is beneficial to the student body. The House of Representatives should be thanked for their excellent representation of their fellow students- the student body.

Margareta Broden, Swedish exchange student.

Exchange

When the plane came over Los Angeles, and I saw all the lights, I finally realized that I was going to live in California for a whole year. I felt very excited and nervous. My foster family greeted me at the airport, and from that moment on, I was a member of the Florance family.

In the beginning, there naturally were some difficulties for me, but everybody, and especially my foster family, helped me to overcome those problems as soon as possible.

During this year, I have experienced so many things, and I was really impressed. Through being in the Executive Commission, I have learned how this big high school works, and I found it very interesting.

Football and drill team were something quite new to me when I came. I have enjoyed watching the football games and I'll never forget the yells. To have been a drill team member has really been an experience which

Margareta enjoys lunch with friends.

I liked so much. I shared so much excitement, spirit and happiness.

What I thought about America before I came here has changed a lot, and I certainly think that I have come much closer to American people and customs. I hope that when I get home to Sweden, I'll be able to tell the people about America.

Now that the year has come to an end, I want to thank all of you so very, very much for everything you did to make this year so great for me. I know that I will always remember this year as one of the happiest in my life.

Traditionally, the most active and interested class on campus is the Senior class. This years Senior class was no exception. Coupled with capable leaders and interested students, the Senior class strove for the class of the year award.

Seniors

John Reeder, President

This year, the final year at El Rancho for the Class of '64, showed signs of being the most exciting and the most confusing. The activities planned by the class, exemplify these two elements, but despite the confusion we fared well. In class competition, the mighty Seniors won a number of events. We overpowered underclassmen in trashcan Painting and in the intra-class rally. With this kind of determination and enthusiasm, the Senior Tea, Senior Wills, Senior Awards Assembly, Senior Breakfast and the Senior All-nite Party proved to be successful.

This past year, the Class of '64 was one of the smallest classes; and because of this factor, the quantity which was needed for success in past years was lacking. However, this past year the class unified into a strong team, full of determination and zest. The Senior year, itself, seemed to be the incentive and unifying factor needed to obtain great heights. The ultimate goal of the class was to win the prized Class of the Year Award, which we have won the past three years. However, if we don't succeed in achieving this goal we might achieve a secondary goal derived from the efforts exerted by individual members of the class. However, those efforts could never be so revered as the golden memories of this school, its faculty, and most of all, its influence upon the rest of our lives.

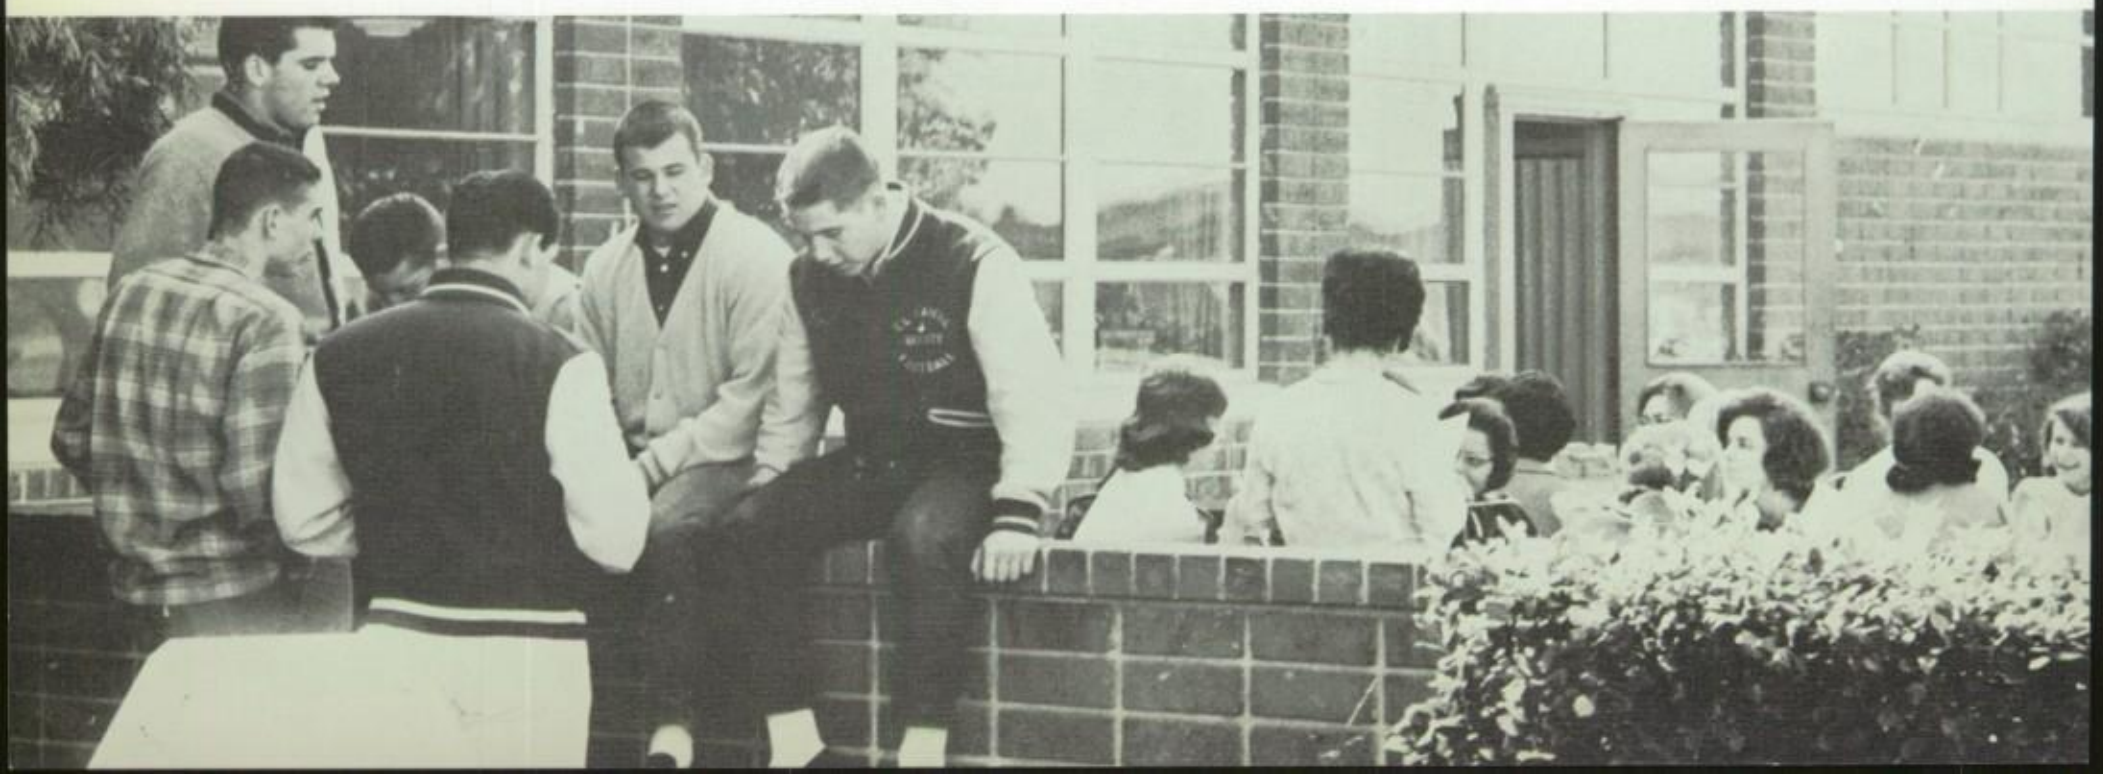
Yes, it does look like spit doesn't it.



Adele, Olvia, and Phyllis take great care in painting the Senior trash cans.

The Seniors sponsored the first sale of El Rancho stationery.

As usual the seniors order their graduation pictures.

Camp Counselors

Steve Swanson

Clark Barton

Jim Ruiz

Olivia Acosta

Eleven El Rancho students participated in the Los Angeles County Outdoor School. This program is sponsored by the County of Los Angeles and the El Rancho Unified School District.

For a period of one week two students acted as junior camp counselors. El Rancho students counseled for six weeks at Forest Home.

This activity is not necessarily for seniors. Juniors are sometimes selected. Mr. Tammen had names submitted to him by counselors, club advisors, and teachers of students who had some interest in social work. Being a counselor, these students gained experience for their future decision for a vocation.

This, our trophy case, signifies our schools outstanding achievement in the field of Sports. Not many schools could so proudly display so many justly earned honors.

As you look through these pages note how each of these Sports, in their own way, have contributed to the fine El Rancho tradition and have earned their own place in this trophy case.

San Gabriel Valley League Champs

One of the most exciting, and spirited activities of the Don school year is the football season. The pep rallies, pepsters, Marching Band, and Drill Team are all part of the football season. However, all these groups momentarily fade into the background when the outstanding Don gridders run onto the field.

El Rancho has a football team of which they are justly proud. Each player is honored and respected by the school as well as by their teammates. We should thank them for their contribution to the athletics of El Rancho. This years Don gridders had all the makings of a winning team; spirit, power, sportsmanship, teamwork, and above all the best coaching staff possible. Is there any wonder why these players became the San Gabriel Valley League Champions, and C. I. F. AAAA Runner-Ups for 1963.

Winning has become a habit of El Rancho and when the Montebello Oilers scored 4 points over the Dons it was time to come in fighting. After that loss the Dons went touchdown happy and scored 267 points against 45 to win their league for the first time. Of course, the biggest win of the league season was our Homecoming game with the Cal Hi Condors. Its been a long time since the Dons have completely controlled the whole game as well as the scoreboard, for the final tally was El Rancho 33, Cal Hi 6. (Turn to page 169 for the C. I. F. results.)

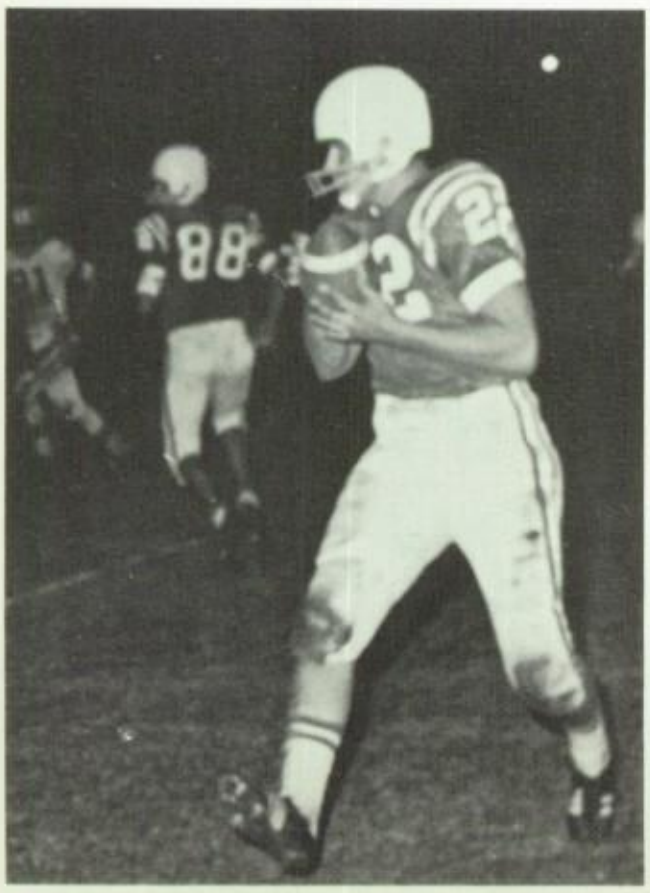
Jim Hawkins starts off League Play by kicking off the first ball against Cal Hi. The final score was 33 to 6.

Ron Drake (88) pulls in an Egan pass and scores aginst Bellflower to make the total 35 to 7.



Scott Reid (22) scampers down the middle to score.

Paul Phipps gets pulled down by a Cal Hi tackle.

John Amato (40) blocks for Ed Silva (11) as he gains yardage against Excelsior.

Tom Egan dodges Sierra's defensive line. Final score-35 to 0.

El Rancho High School placed ten football players on the All-San Gabriel Valley League team this year, all ten of them Seniors.

Tom Egan was named League Back of the Year, and teammate Steve Swanson was chosen as Lineman of the year.

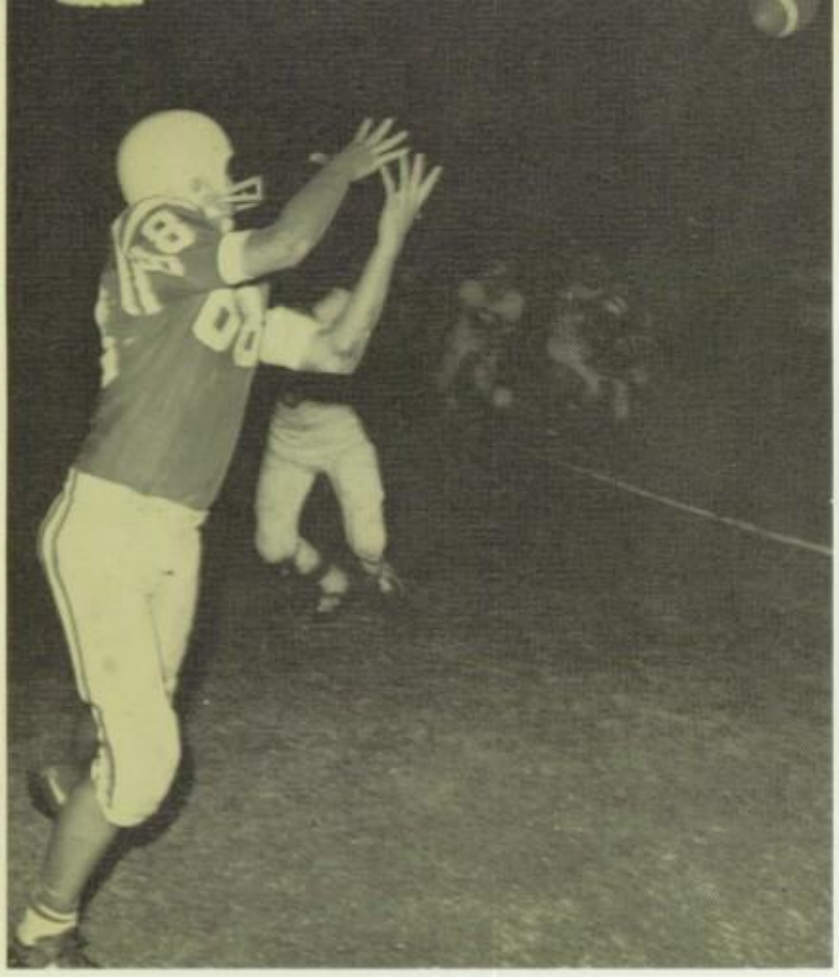
On the offensive team are Scott Reid, Ron Wilsey, and Tom Egan-backs; Steve Swanson-tackle; and Ron Drake-end.

On the defensive team are Mike Grimsby-end; Steve Swanson-tackle; Dave Ortize-linebacker; Scott Reid and Ron Drake-safties.

Only two other schools placed players on the team-Cal Hi, and Santa Fe.

Scott Reid (22) with blocking by Tom Egan (10), rip through Escelsior's line. Final score 39 to 0.

Tom Heustis leads the traditional prayer after a football game.



Step 1

Step 2

4 Easy Steps = 6+1

Wanta know how to make a touchdown anyone? Well, it's very simple if you do it the Don Way. The primary things to do first are, of course, get a team to play against you, get a large crowd to go to the Don Field some Friday night, then take one ordinary football and give it to that extraordinary football team. After that all you do is sit back and relax, for it's all done for you by the Don Team.

The steps aren't too complicated if you pay close attention. This is quite important, you know, because sometimes Step 1, Step 2, or Step 3 may be all it takes to get that ball over the one yard line. However, you still may see Step 4.

Anyway here's the way it goes: Step 1: Get Ron Drake (88) to run a few yards to catch one of those Egan passes. Step 2: Have Ron Wilsey (30) prance down the field for a few more yards. Step 3: (This could be tricky) Let Scott Reid (22) go diving into the end zone scoring six. Step 4: This comes like the icing to a cake, and in the same order-persuade Jim Hawkins (68) to boot the pigskin over the goal posts for a complete ER TD.

This is the way its done folks, the right way. So if any of you football players or fans out there need some tips or pointers, come over to the Don Field some Friday night and see "The Way the Dons Do It."

El Rancho Bee Football Team

This year's Bee football team's motto was "From Rags to Riches." They were certainly correct, for they came up to win the Championship Trophy under the fine leadership of Coach Eads, and Coach Herrera.

Team captains, Bill Camarillo and Ray Ota, showed the example of spirit and leadership. Bill Camarillo made the most touchdowns of the team. Larry Murphy should also be credited for having the most tackles.

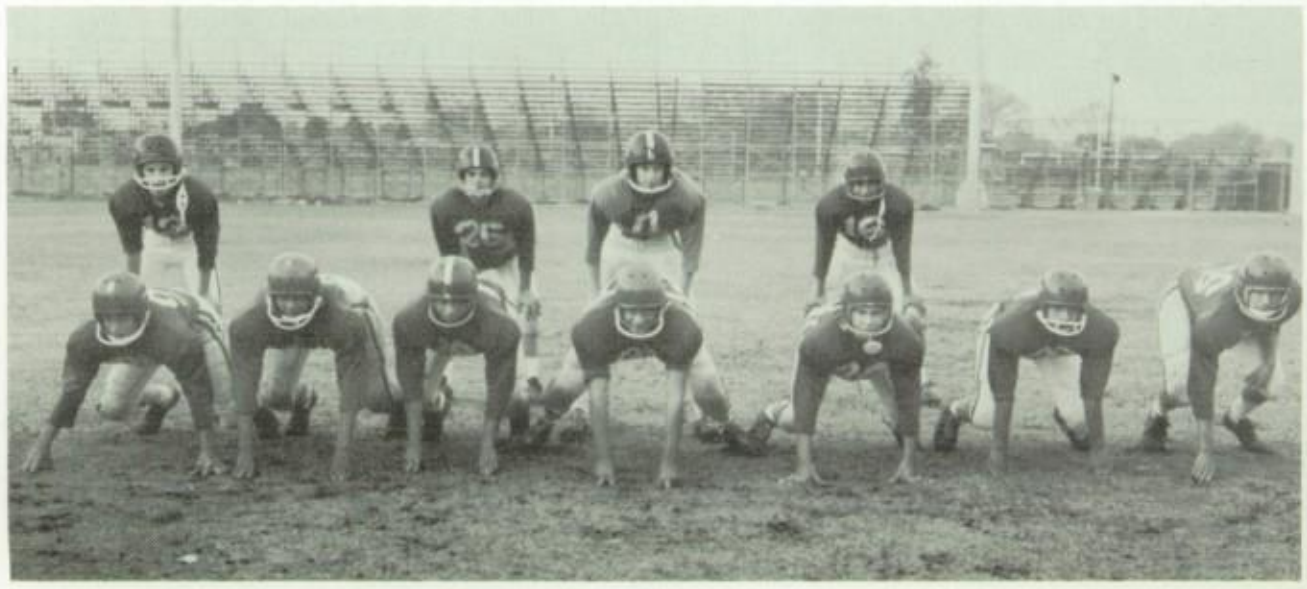
Lead by a fine coaching staff the El Rancho CEE football team ended an almost perfect league season with four wins and one loss.

Although they got off to a bad start with Whittier, Montebello and Sierra the CEE's did a good job in perking up their spirits and returning to win the remaining teams except Sante Fe.



Offensive Team

JV's Work Hard Through Season

The El Rancho Jayvees had their best season this year for they remained undefeated throughout the preleague games and up to the last game with Sante Fe.

Ron Matkins, quarterback, proved himself worthy for he accounted for the major portion of total points scored. Gene Parsons did the same for he ended up in the end zone more than anyone else. "Fizz" Berserra was of equal importance as he was a good runner and did most of the kicking. Playing well on the defensive squad were Vic Rivera, LB, Frank Chavez, MG, and tackles Gary Howell and Bill Torres.

Total points scored amounted to 136 for the Dons and 34 for their opponents, which prove they were a strong team.

Water Sports

Varsity Water Polo

The El Rancho Varsity Water Polo Team ended its season by playing one of their best games, but it was to no avail for the Santa Fe Chieftains finished in one point lead after a double overtime. The final score of that game was 9 to 8.

By losing this last game the team ended in a second place tie with Santa Fe. The Don record stands as a five won and ten lost. In league play their record was 3 and 3.

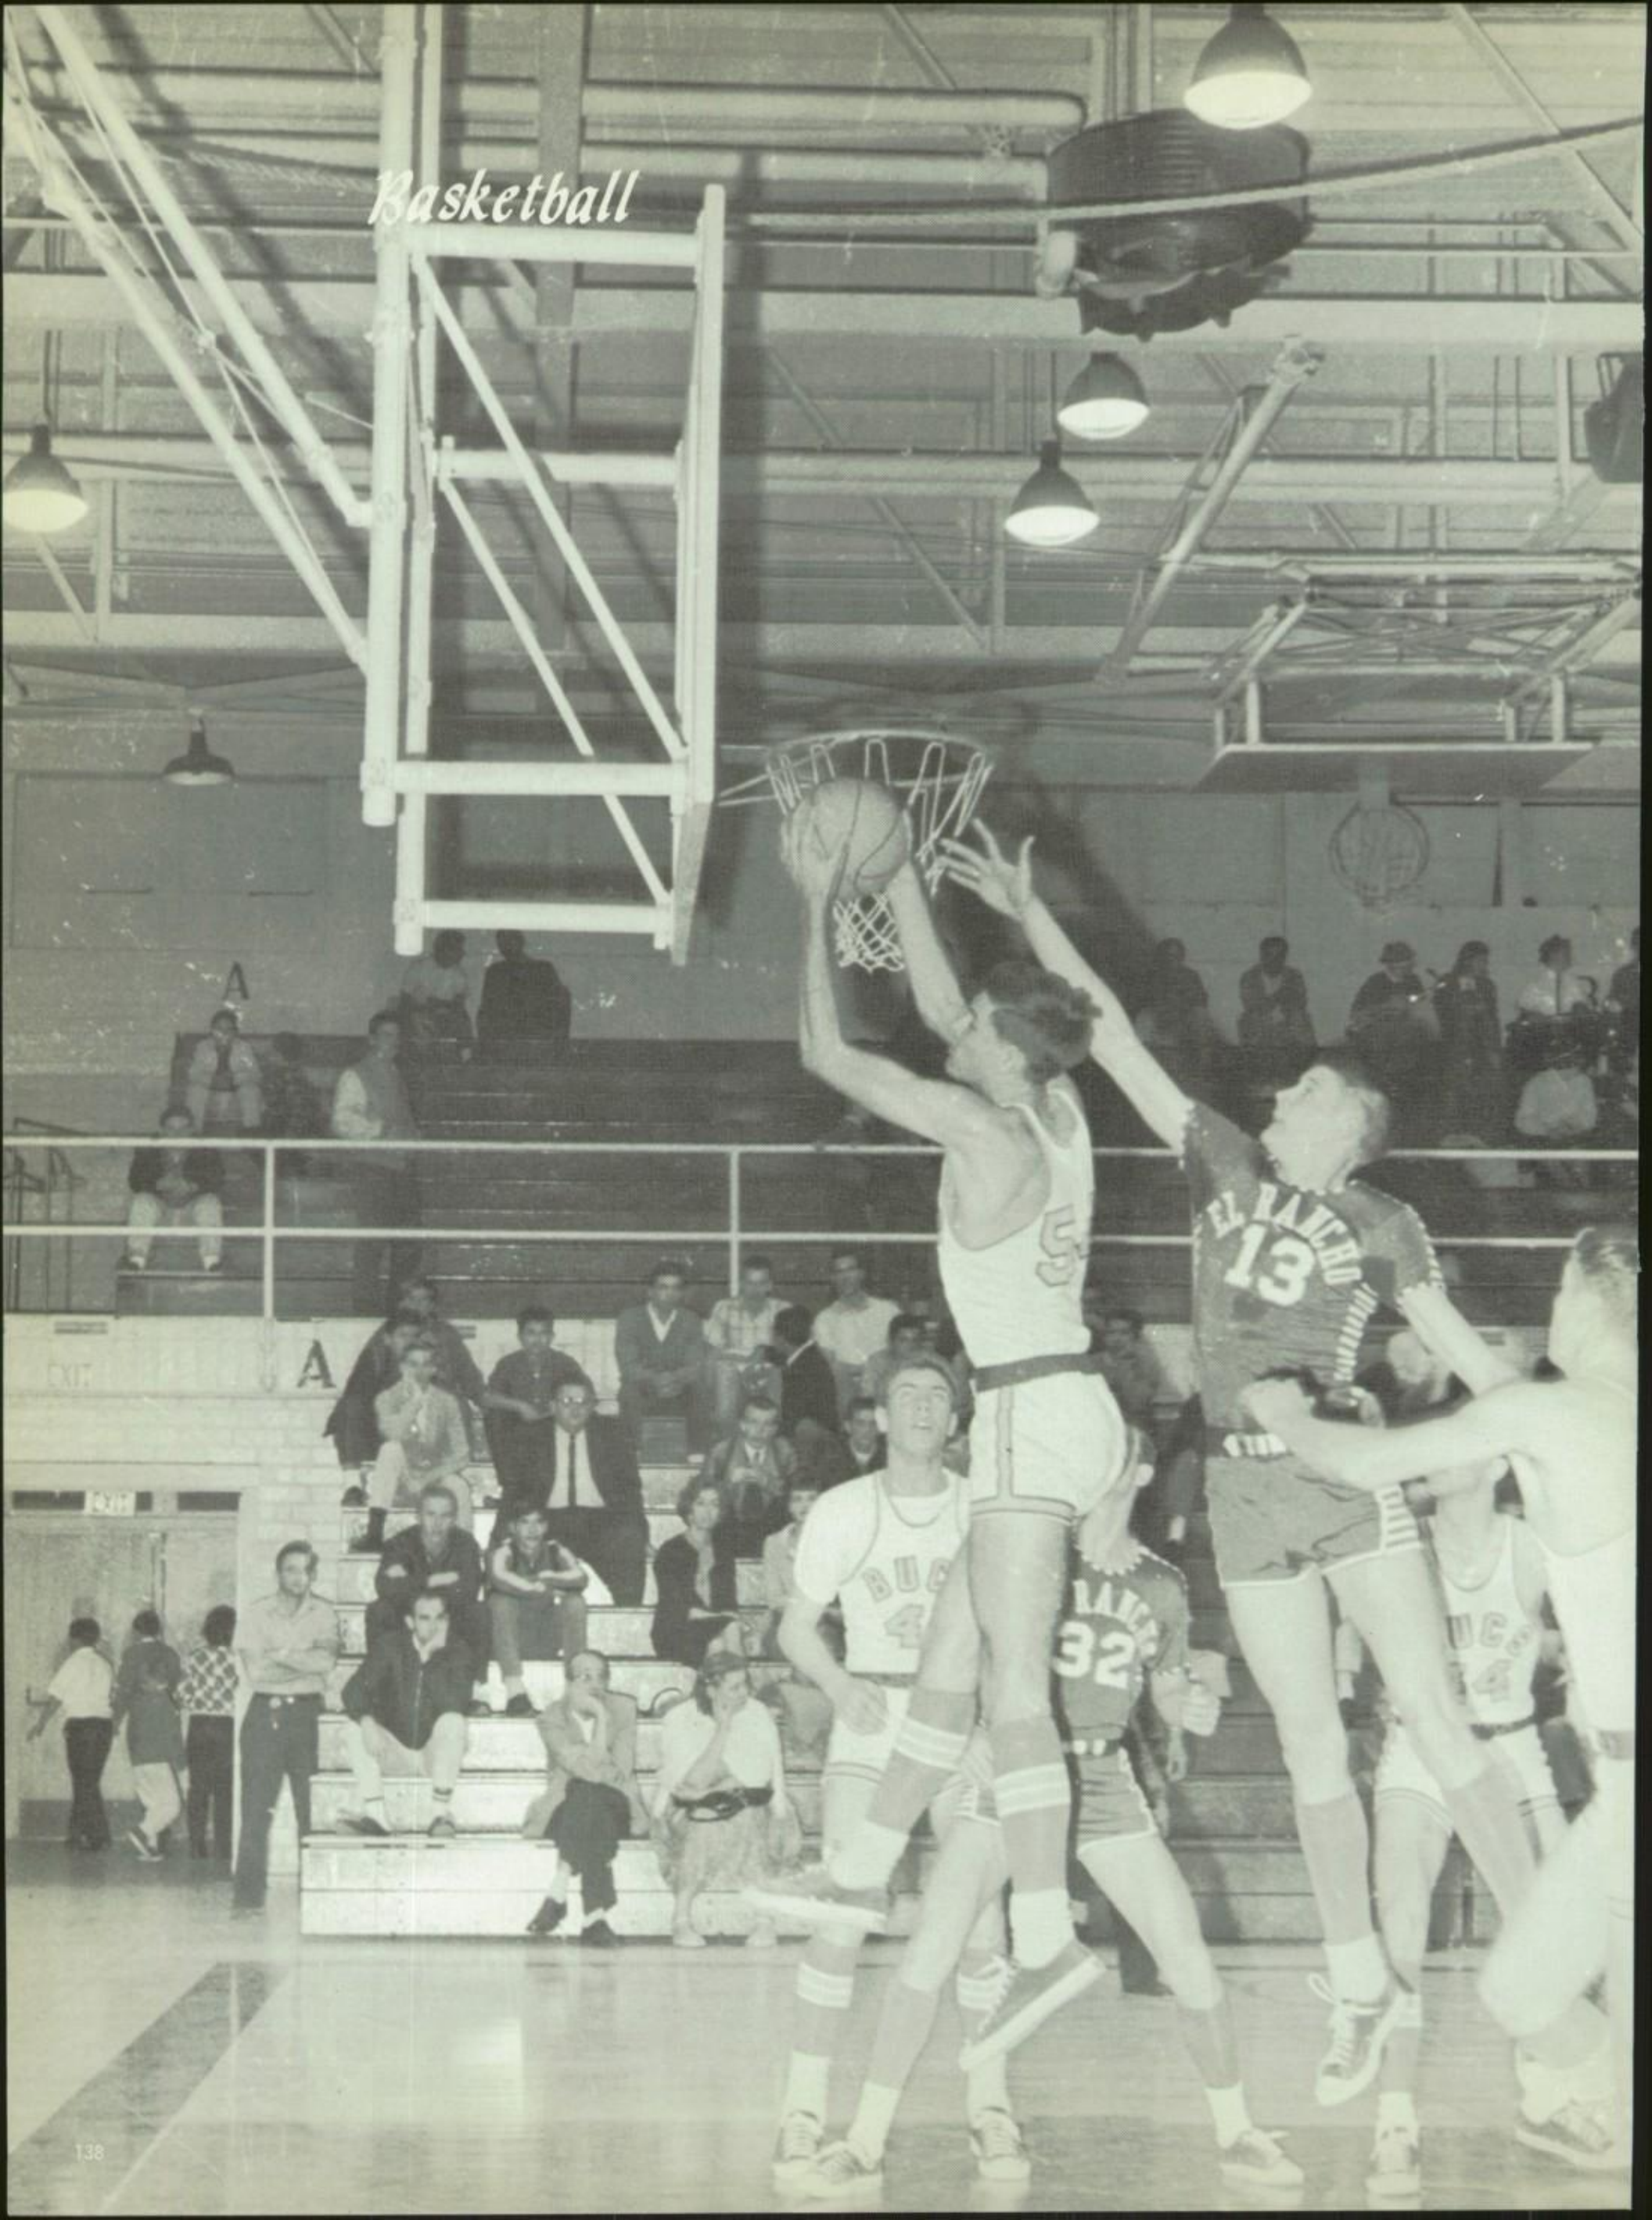
Basketball



Varsity Basketball

This year the El Rancho Varsity Basketball team coached by Don Johnson, compiled a 6-4 record in league play for a solid third place in SGVL competition. After an up and down start the Dons showed great improvement in league play. In the first round of the tough league competition, the Dons ended with four wins and one loss to Bellflower. The second round ended with two wins and three losses, losing to California, Norwalk, and Excelsior.

Captain Mickey Green was the leading scorer out of league play with 157 points. Craig Chapman, a junior and two year varsity man, was second in total league points with 131 points. These two boys, as well as the rest of the team, played with such spirit and enthusiasm that they can justly be proud of their accomplishments and of the fine example of leadership and athletic ability they have shown to the students of El Rancho.

Mickey Green also was the only player on the Don Varsity to be selected to the SGVL All League team. Mickey was as well chosen by his fellow team mates as the Most Valuable Player of the Year 1964.

Junior Varsity Baseball Team

The purpose of the Junior Varsity Baseball Team is to build up the skills and techniques to form a strong and reliable Varsity Baseball Team for the coming year. Keeping to this standard this year's Junior Varsity has both the skill and talent to make an excellent and winning varsity team.

Mr. Radke, the Junior Varsity Coach is doing a fine job to help these boys on to a fine season in baseball.

Knowing that practice makes perfect, the Junior Varsity baseball team is always ready to bat.

CIF Runner-Up

Ron Drake catching a touchdown pass against Centennial.

Being one of the finest Football teams in Southern California is quite an accomplishment, and that's just how our Don gridders were rated again. For the fifth time in the twelve year history of El Rancho our fighting Don team came up with a berth in the C. I. F. finals, and for the second time a 'Runner-Up' Trophy.

Centennial, El Rancho's first C. I. F. opponent, tried hard but couldn't match the hard fighting Dons. Ron Wilsey, Fullback, ran for 49 and 47 yards to score TDs after a 6-0 halftime lead. Wilsey wasn't the only one with wings on his heels, Ken musselman took a 62 yard pass; Dan Scott one for 50 and Ron Drake for 17, all scoring TDs to bring the tally to a 33-13 victory.

The scoreboard read L. B. Poly 27, El Rancho 20, but that wasn't the end. Because of the "illegal use of films, without the express consent of the opposing coach" L. B. Poly was forced to a 1-0 forfeit to El Rancho. Coach Ernie Johnson protested the game two days before it was played, and the following Monday the C. I. F. Board made their unanimous decision. El Rancho definately made it a close game despite the handicap of no-prescouting of game films.

Although Muir was rated as the favored team, it didn't help on the grid iron. From the first minute to the last El Rancho lead the Mustangs until a 32-20 victory was theirs. Tom Egan, quarterback scored on three touchdown runs, while Scott Reid, wingback, scored the fourth and Dan Scott added the other six pointer for the Dons.

They played their hardest but that just wasn't enough. The Loyola defense just wouldn't yield and El Rancho silently bowed out to a 21-0 loss, the first scoreless loss since 1958. To a winning team defeat comes hard, but no one can deny that each and every boy on the Don Football team has added strength and spirit to his school, and has bolstered the name of El Rancho until it has been famed throughout California.

It is hopeful that the baseball team will go into CIF as they did last year.

California Inter-

The CIF was organized at a high school athletic convention held at the YMCA Field House, Los Angeles, on March 28, 1941.

The convention followed a number of conferences in which there had been an agreement that high school athletic contests, to be of value to the schools and the participants should be organized under the control of the responsible heads of the schools.

The general purpose of the State Federation is to make possible uniform practices in conducting athletics in all parts of the state, to centralize control and to foster clean and sportsman-like competition and conduct in athletic contests.

The Cross Country team succeeded in making it into CIF semi-finals, and they're hoping to go all the way next season.

Scholastic Federation

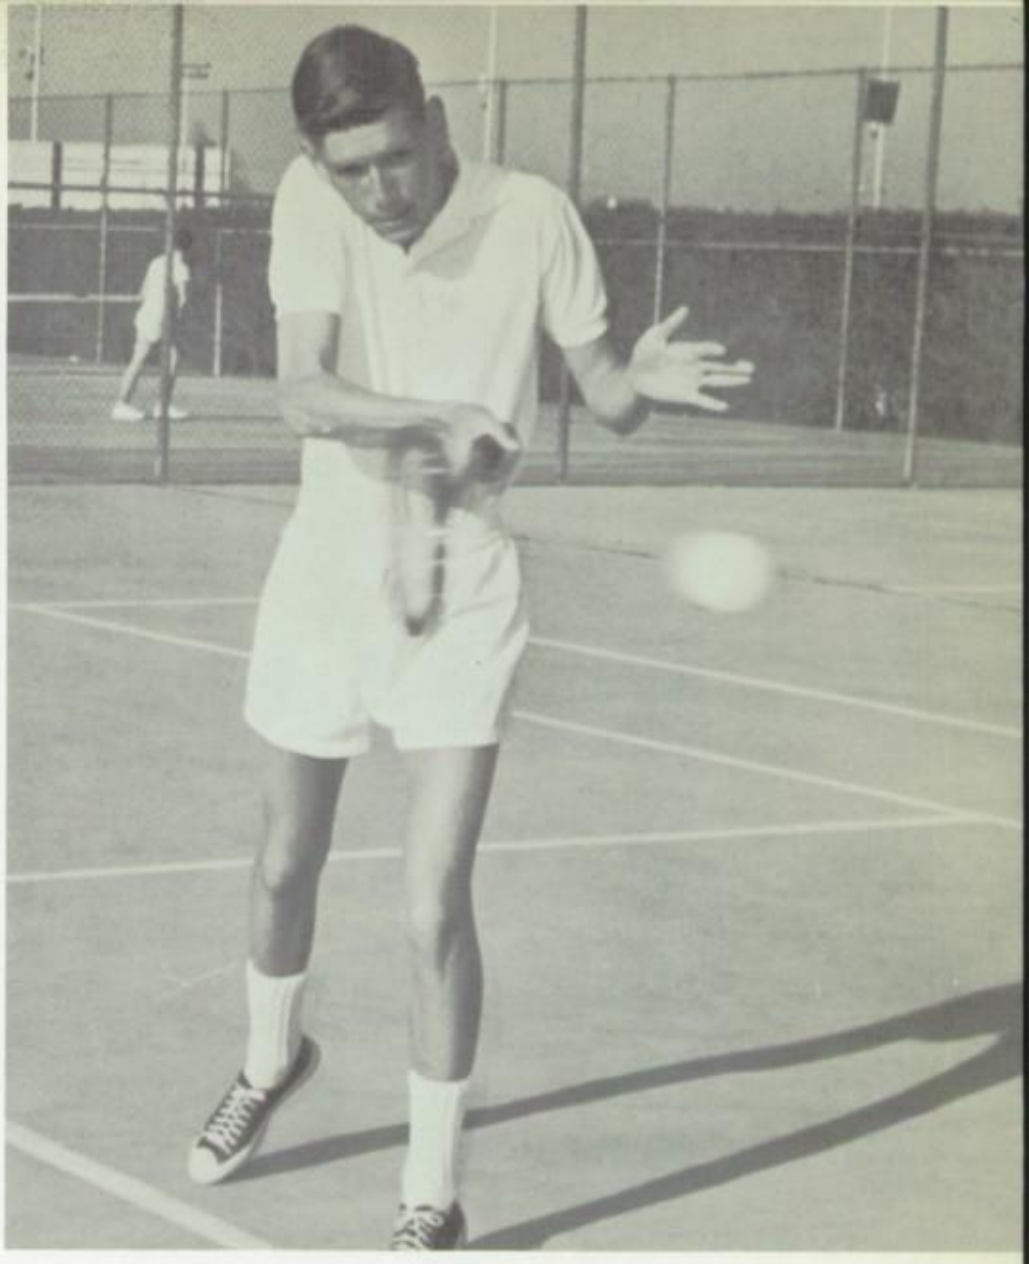
is over. The top teams or boys of each school compete with the top teams or boys of the other schools.

This year, our football team led off by taking the second position in the AAAA CIF competition.

Next came our ever-successful Gymnastics team with Fred Siebum leading the way as CIF champion. Other members also did very well in the play-offs.

The Cross Country team succeeded in making it into CIF and in making El Rancho proud of them.

We are sorry we cannot report on the CIF action of all the sports, but our early deadline does not permit us to do so. However, we have faith Baseball and Track teams will undoubtedly go into CIF play-offs.



Tennis is another hopeful for CIF action.

Pole-vaulting is one of the many events included in track. Skilled team members like Art Duran contribute greatly to the efforts of the entire team.

The Girls' Athletic Association was very active this year. The sports offered after school were: Volleyball, Tennis (beginning and advanced), Basketball and Swimming. Basketball was one of the more popular sports this year. Girls participated very actively from November sixth to December eighteenth. Every Monday and Wednesday, girls came to the basketball courts during ninth period. Fund Raising Activities

Students crowd around to contribute their dimes to the March of Dimes.

Janis Ashlock, new welfare commissioner, and Mr. X look over toys collected from our Toys for Tots drive.

During the year many fund raising activites arose which the El Rancho students participated in. In our Toys for Tots drive many toys were donated by students for the underprivileged children for Christmas.

Next came the March of Dimes drive. The money collected from the March of Dimes was sent to their center in Los Angeles. This money will go for crippled children.

The student store is one of our successful fund raising activities. The proceeds from the student store goes into the student body fund.

As we take a candid look at the student store we find one student with his fingers hopelessly caught in the cash register, while Mr. Worley gleefully distributes student supplies.

Mr. Larson-Choir Director

This year the El Rancho Girls Glee was directed by Mr. Larson. He also directed the Concert Glee. It must be said that he did a very fine job as the Girls Glee and Concert Glee did an extremely wonderful job of performing at many school functions. I'm sure every one will remember the fine songs that they sang at the Christmas Assembly, and back to school night.

Although Mr. Larson was new to El Rancho this year it must be said that he adapted himself very nicely, and he did a fine job.

The El Rancho Don Choir and Choraleers did a fine job this year under the Direction of Mr. Warren Marsh. They participated in many school and outside activities. We should be very proud of the wonderful recognition they have brought our school through these many activities. Among the many things they participated in were..the Christmas Telecasts KNBC-KCOP, Medical Convention at the famed Embassy Room at the Ambassador Hotel. The Choraleers made an appearance at Disneyland which they are very proud of.

In the Spring they participated in the Spring Concert and the Whittier Symphony also the Spring Telecast on KNBC. As can be seen our music department had a very busy year.

Band Director-Mr. Jacobs

To a very dedicated man: We would like to thank Mr. John Jacobs for all the time he spent making our Don Band great.

DON BAND

Education through music prepares the student for a more useful and enjoyable life. It develops his personality and ability to co-operate with others, as well as many other skills. This is the philosophy of our band.

All of our fine bands did an outstanding job this past year. This year the Don Band put its marching shoes on on September 3rd and did an outstanding job representing our school at many functions. They performed at 13 football games, the highlight being the televised show in the Coliseum.

The string orchestra is a small but especially effective group. They performed mainly for civic functions and in concerts for the public.

After marching season the band goes into concert playing where they play everything from the old established classics of Bach and Mozart to the new and modern jazz and swing compositions. During the second semester they played many concerts, attended festivals and programs around the area, ending their busy schedule at graduation.

The pep band took part in the many home basketball games played on the El Rancho campus during the second semester.

Desperate Hours

This is the story of a home invaded and held by three escaped criminals. The Hilliards are a typical family living on the outskirts of Indianapolis; abruptly, their pleasant home becomes a jungle, full of jungle-cunning and violence. Mr. Hilliard and 19-year-old Cindy are allowed to go to work--while Mrs. Hilliard and 10-year-old Ralphie remain in the house as hostage. Meanwhile, the police search closes in inexorably, conducted by a deputy sheriff who has his own reasons for wanting to kill Griffin.

The Hilliards are helpless. A murder occurs, almost accidentally and the police move closer as the play reaches its surprising and dramatic climax.

The students who took part in this play did a fine job, not only the actors, but the others who helped with the production of The Desperate Hours.

Sheridan Whiteside, having dined at the home of the Stanleys, slips on their doorstep, breaking his hip. A trumultuous six weeks of confinement follow. The Stanley living room is monopolized by the irascible invalid, ex-convicts are invited to meals, and transatlantic calls bring a $784 phone bill. The arrival of strange gifts from his friends further destroy domestic tranquility. When Maggie, his secretary, falls in love with the reporter, Bert Jefferson, Whiteside summons a glamourous actress, Lorraine, to win the affections of the young man. Lorraine suggests a three-week rewrite on a play of Bert's in which she feigns great interest. The unexpected arrival of a mummy case, just as the relenting Whiteside is frantically seeking to get rid of Lorraine, furnishes a malicious idea. Tricking her into stepping into the case, he shuts the lid and blackmails his host into having the case carried to the airport, preparatory to a round-the-world cruise. Whiteside departs from the Stanley's home triumphantly, but a second later a crash is heard--he has slipped and fallen!

Sheridan Whiteside talks transatlantic.

Student Store

Many students buy their school supplies from the El Rancho Student Store.

Larry Kappmeyer hard at work

The Student Store is an integral part of campus life. The Store carries a wide selection of school supplies of a general nature as well as specific supplies for some subject areas. Store is open to the student body during lunch hours and is manned by students, giving them training in selling under the supervision of a teacher. Items offered for sale are priced for a low profit, which becomes a part of the student body funds.

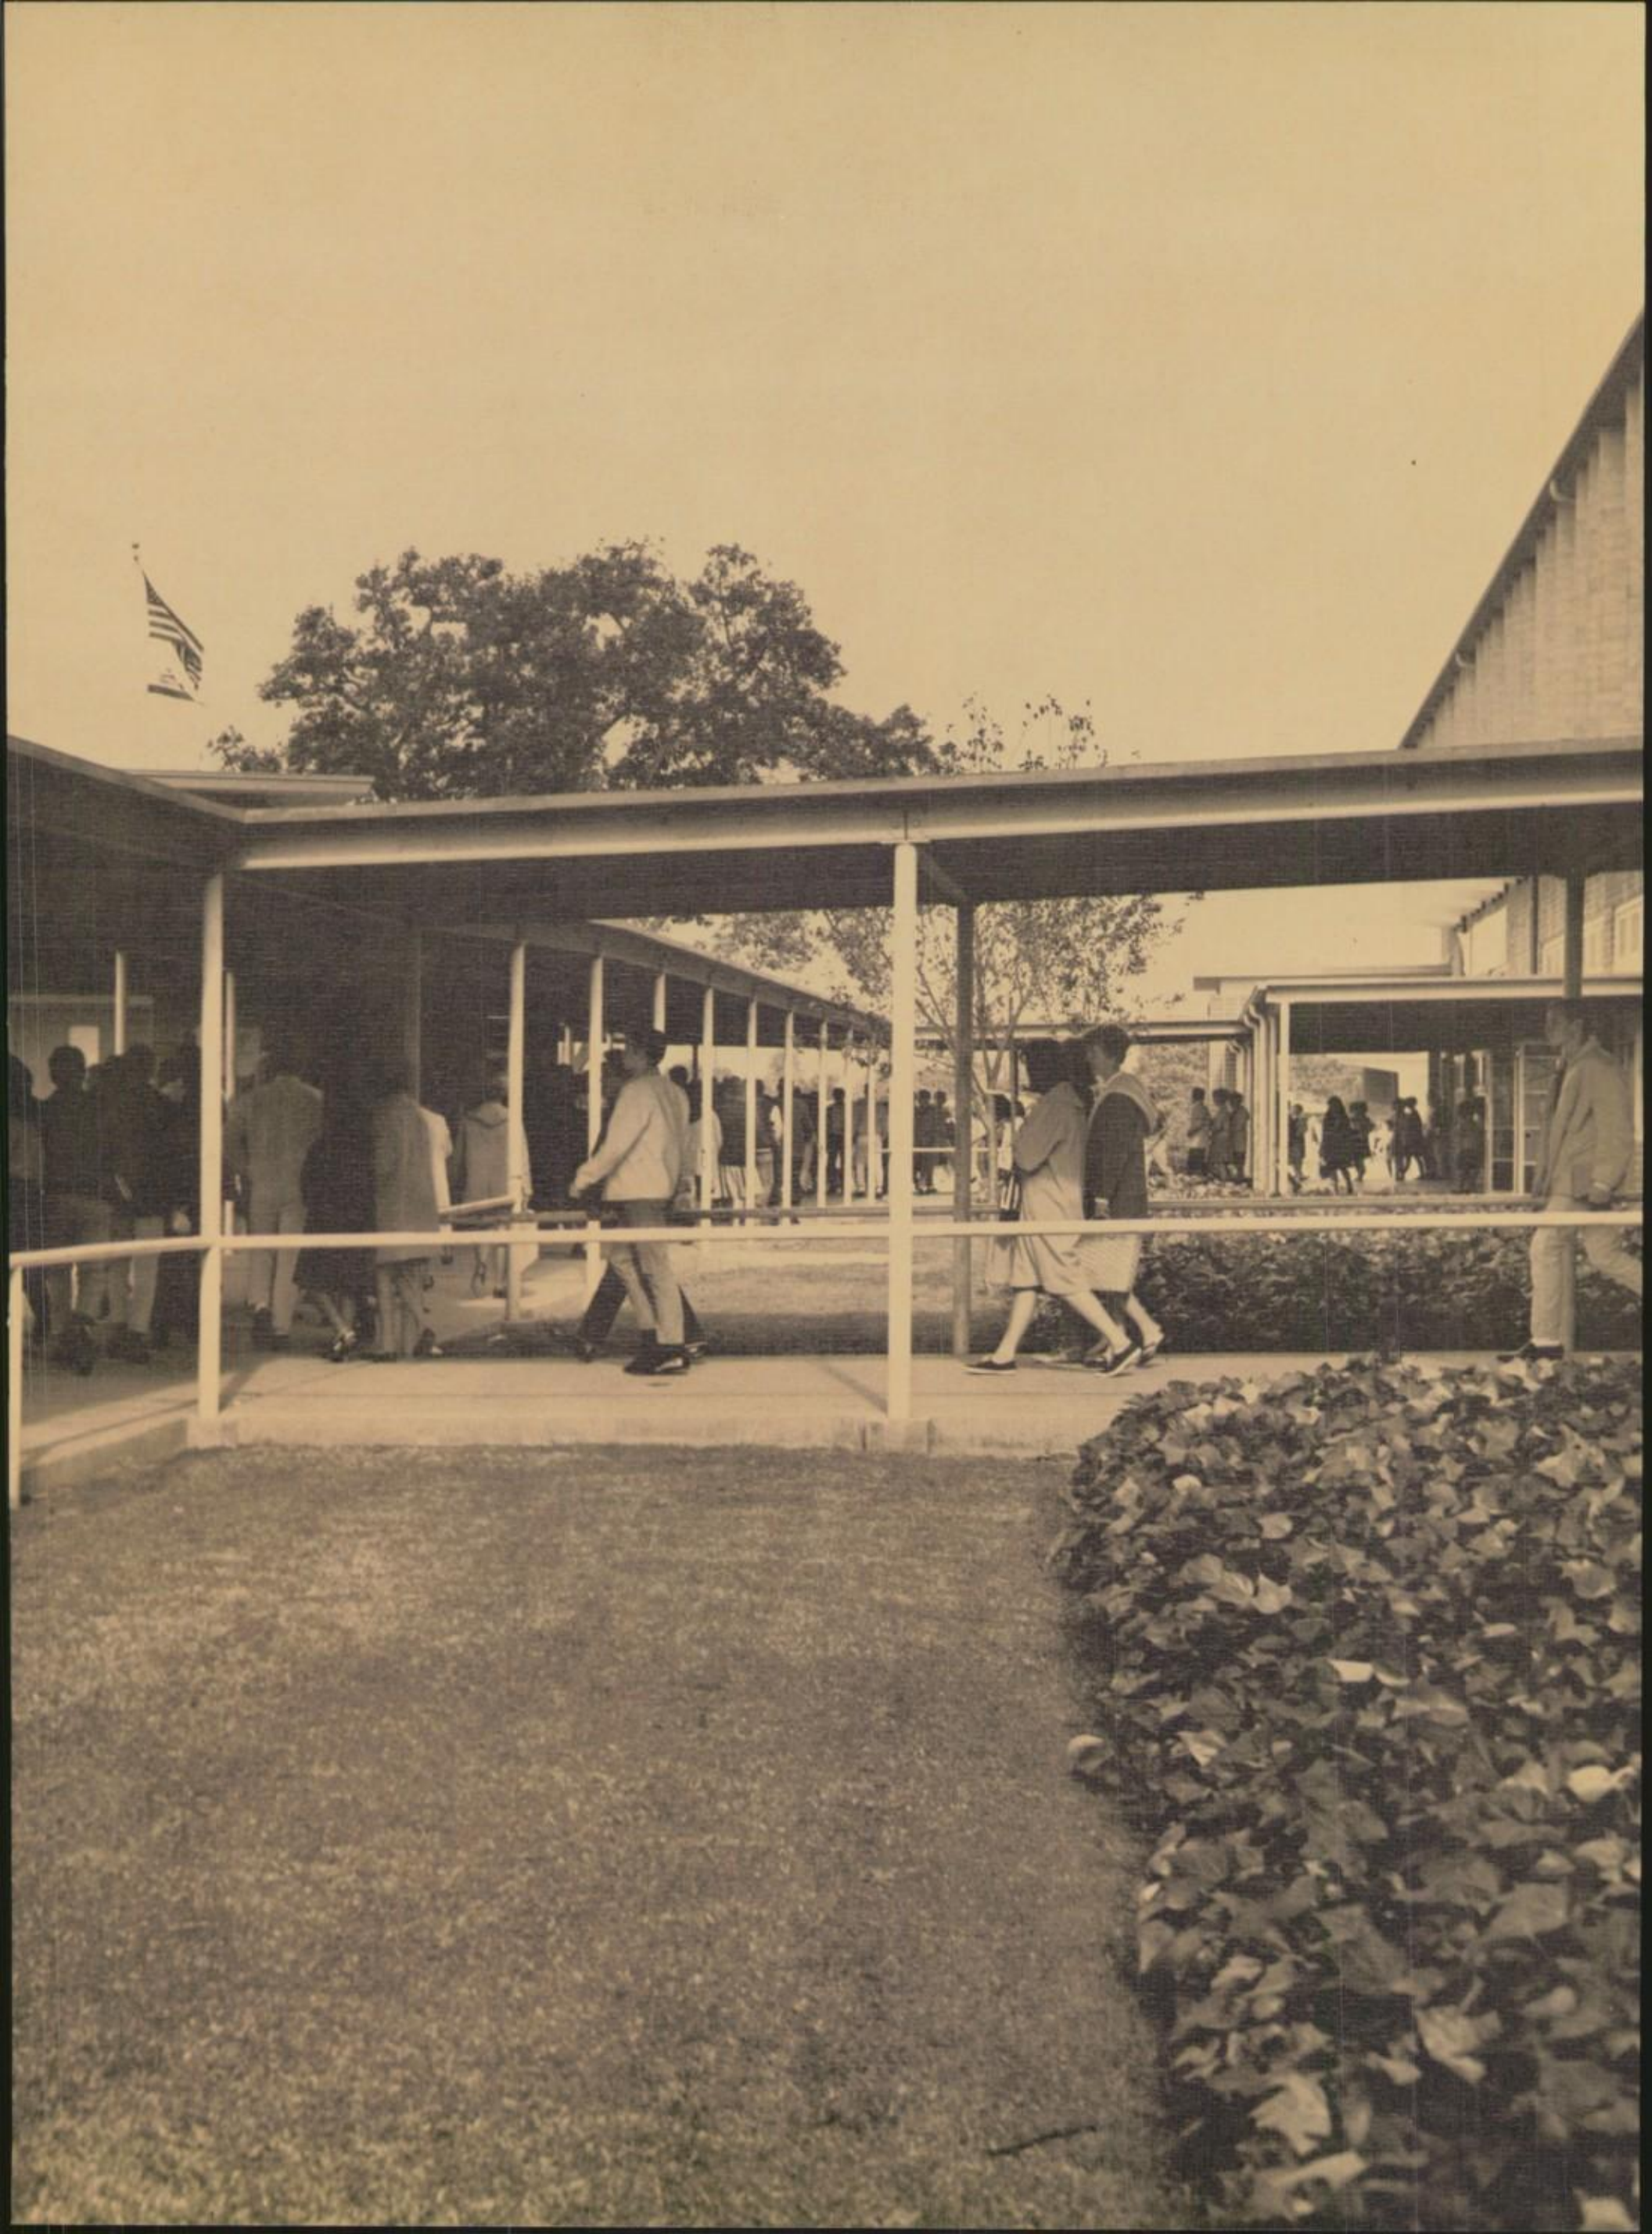
The underclassmen participated in both student body and class activities. Each class strived to win the coveted "Class of the Year" award and to gain favorable recognition for their class.



Junior

Jack Harris, President

The Junior Class used as its creed this year, "High and Great Ideas." Striving for class domination, the Juniors did not overlook the support of the school as well as class participation.

Taking the lead in many of the school associations, both atheletically and co-curricular, the Juniors not only gave of themselves, but received great satisfaction, education and inspiration.

From the beginning, their every activity echoed their philosophy. The classic "Torch" trashcan stencil served as a symbol for the class-"lighting and inspiring the way for success."

The March of Dimes saw much Junior Coinage and the campus sparkled after the Junior Campus Clean-up.

The candy sale fared extremely well as did the big event of the year--The Hootenanny.

"Football and Basketball Fellas" grace many a home and car, thanks to the sale of them by the Junior Class.

The Jr.-Sr. Prom, reflecting its theme to the utmost, proved an enjoyable evening for all who attended. Transformed by magnificent decorations, the gym provided a mysterious and romantic setting for the waltzing couples.

The year drew to a close with the Juniors a class thriving, satisfied and yet looking forward to a great and exciting Senior year.

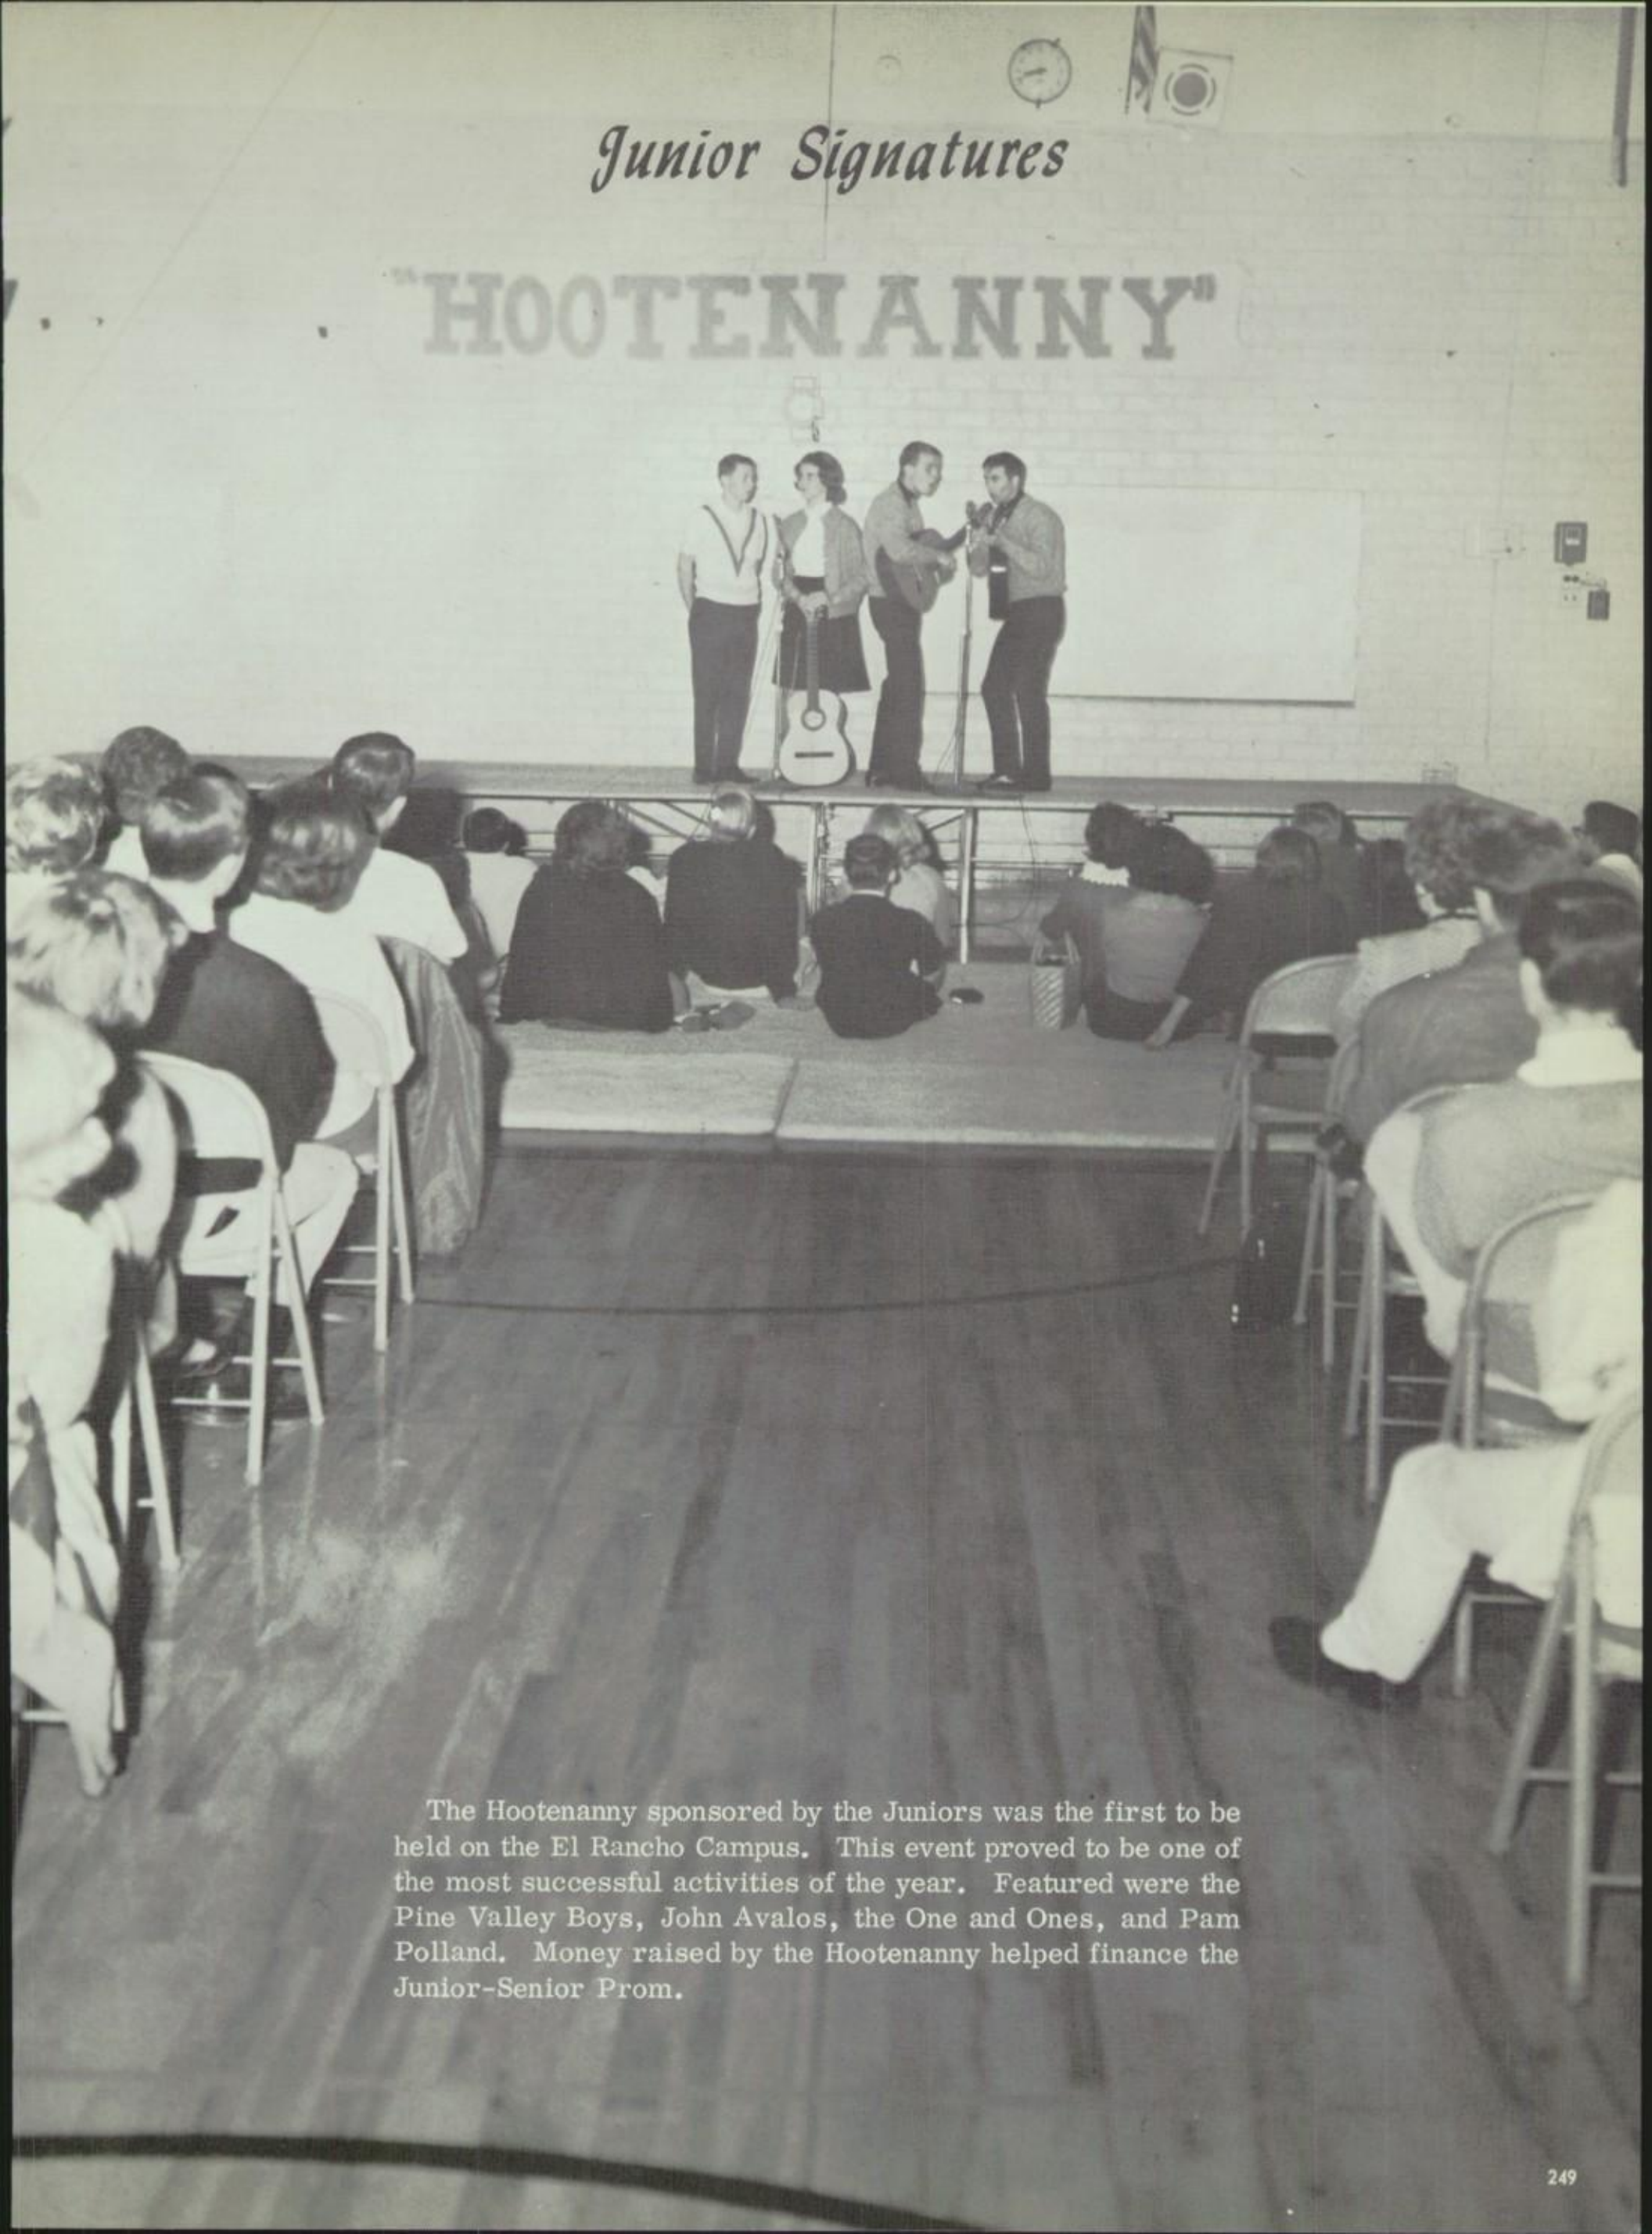
Junior Signatures



The Hootenanny sponsored by the Juniors was the first to be held on the El Rancho Campus. This event proved to be one of the most successful activities of the year. Featured were the Pine Valley Boys, John Avalos, the One and Ones, and Pam Polland. Money raised by the Hootenanny helped finance the Junior-Senior Prom.

Sophomore

Robert Aguilar, President

We, the Sophomore Class of '66, have had our ups and downs as underclassmen, but are looking forward toward a brighter future. To help attain this goal we have scheduled many activities as well as the traditional ones toward class of the year.

Some of scheduled Sophomore activities have been: two carwashes, two bottle drives, a candy-apple sale, popcorn sale, a skance (which is rollerskating and dance) and a Sophomore sponsored dance, featuring a band. This dance was an exceptional success.

The Class of '66 placed fourth in the trash-can stenciling and painting. We took first place in originality with the face. With activities such as: The March of Dimes, Campus Clean-up, Can Food Drive, PTA Membership Drive, and Western Days, we took an active part.

Under the capable leadership of Miss Fishke and Mr. Evans the Sophomore Class progressed as the year of '63-'64 went along.

Whenever you see a school sponsored activity you will always see a large group of students of the Class of '66 right in the middle, participating to its fullest extent.

One of the highlights of the Sophomore Class activities was the February 8th Dance featuring the Fireballs. Those who attended had a great time doing all the latest dances.

Freshman

James Collings, President

Although somewhat ignored by the upperclassmen in the traditional manner, this year's Freshmen Class has shown great possibilities for the future.

The Class of '67 has adopted the well-chosen motto, "The biggest room in the world is the room for improvement." It has served as a guide and a standard during our first year here at El Rancho.

Enthusiasm and willingness to cooperate in all of the school activities are the outstanding features of this class. This is obviously apparent in the class response to the trash-can painting, pep rallies and campus clean-ups. Our ambition is not surpassed by any of the other classes in the school.

The fact that we are well represented in department and academic standings, show that our future years at El Rancho High School will be successful ones.
